

## CAR PARK RULES Turin Airport Sagat Spa

These are the rules for the use of Sandro Pertini Airport's car park in Torino Caselle open to the users hereinafter defined as "Customers".

- 1) Driving a vehicle into the car park implies acceptance of these rules.
- 2) By using the car park, the user acknowledges that the sole object of this contract is the provision by Sagat of parking space for a fee. The user therefore acknowledges that this contract in no way entails any obligation for Sagat to keep the vehicle in safe custody, which cannot in any way be held liable for any damage caused by third parties, theft and/or break-ins relating to the vehicle itself, or any property contained inside it. In this regard, Sagat declines all responsibility for any objects, luggage or animals left in the vehicle. In any case, it is forbidden for Customers to keep materials, objects of value or that may pose a danger to other vehicles or pedestrians in the parked vehicles.
- 3) If not using the Telepass system, the customer will have to collect the magnetic entry ticket when entering the car park. A compulsory notice is due to the personnel through an interphone each time the ticket isn't issued. The magnetic coupon is the only valid document allowing the vehicle to leave the car park.
- 4) In case of loss or deterioration of the magnetic coupon, such as to make it unreadable, the user is obliged:
  - a) to pay the rate charged for 15 days of continuous parking;
  - b) to fill in and sign all the documents required by the internal rules of Sagat.
- 5) Staying for more than 30 days is subject to prior authorisation of the staff in charge of the car park.
- 6) Otherwise, after 30 days from the date of entry, Sagat has the right to take the vehicle outside and to proceed with forced execution of the same, and charge the user the costs of doing so.
- 7) Each parking space can only be used for parking a single motor vehicle.
- 8) The user is obliged to park the vehicle in appropriately marked spaces and to respect the signs inside the car park, including signs marking parking spaces for the disabled. The rules governing the circulation of vehicles must be observed inside the car park.
- 9) Sagat has the right to remove vehicles not parked properly and charge the user the moving fee.
- 10) Cycles, motorcycles and vehicles which are over 2 metres in height are not allowed to park. Sagat has the right to remove such vehicles and charge for the towing away fee. **PERSONAL DATA**
- 11) Driving speed inside the car park must be at walking pace. In particular, it is absolutely forbidden:
  - a) Leaving unattended objects of any kind, primarily flammable or combustible material
  - b) Fuelling, repairing, washing, recharging any vehicles.
  - c) Parking vehicles with leakage or damaged such as to have any detrimental effect.

The rate must be paid at the parking meters; the user is warned that the time available to leave the car park with the vehicle after payment of the rates is 15 minutes. Afterwards, the customer must pay an extra fee for additional parking time, calculated on the basis of the rates in force at the time of entry into the car park, published on the website [www.aeroporto.torino.it](http://www.aeroporto.torino.it).
  - a) If the user needs a receipt, it has to be asked upon payment at the parking meter and if it is not issued, the ticket must be presented at the information desk before leaving the car park. No reissuing is available afterwards.
- 13) Invoices can be requested by filling in the online form <https://www.aeroporto.torino.it/it/tomove/trasporti-e-parcheggi/richesta-fattura-parcheggi> no later than the day following that of payment indicated on the payment receipt, and are issued no later than the 15th day of the month following that of request.
- 14) People with reduced mobility can benefit from free parking by displaying the original disabled parking permit and showing it when leaving with the car at the information desk, together with the identity document of the disabled person and the airline ticket for the outward journey (for stops of over 4 hours). In order to benefit from free parking for under 4 hours the user must show the documents mentioned above and the card holder must be present when picking up the car. In order for any companions of disabled passengers to take advantage of the exemption, they must show not only the original copy of the parking card holder's ticket, but also the original disabled

parking permit of the disabled passenger, and a copy of the airline ticket of the card holder.

- 15) The user is required to park the vehicle with the handbrake on, and ensure that the vehicle is locked.
  - 16) The parking areas and related equipment must be used with the due care; the user must compensate Sagat for any damage he or his companions cause to property and/or persons and/or animals belonging to Sagat or third parties.
  - 17) The Customer undertakes to follow any instructions given by Sagat personnel for traffic/security purposes.

In this regard, Sagat declines any responsibility with regard to the system of automatic parking payment by Telepass. It is the responsibility of the user equipped with a Telepass device who does not intend to pay for parking by using this means of payment, to cover and/or remove the said device. In any case, Sagat cannot in any way be held responsible for any parking charges made by Telepass SpA as a result of the lack of and/or inadequate cover and/or the failure of the user to remove the relevant device.
  - 20) Any violation of the provisions of law or rules of the Authority, as well as of the parking rules and instructions of the Sagat personnel, may result in the exclusion from further use of the car park, without prejudice, in any case, to compensation for all damages and refund of expenses borne by Sagat.
  - 21) It is absolutely forbidden for pedestrians to walk along the ramps leading to the floors and entrances of the car parks.
  - 22) The Customer expressly acknowledges that the car parks referred to in these Rules can only be used for private purposes and that use of airport car parks for commercial purposes is subject to the stipulation of a suitable contract with Sagat. In this regard, the Customer acknowledges that Sagat may carry out checks to ensure compliance with the provisions of this article, and has the right to charge a penalty of €12.00 each time, in the event of violation of the provisions therein.
  - 23) The Customer expressly acknowledges that any free parking minutes offered by Sagat at some car parks cannot be combined.
